NOTICE THAT ALL LOGIN “NAME”s follow the convention of: “first.last” (e.g., john.doe).
The site offers the possibility of logging-on with an email address. We recommend you use this first.last convention, as some people have more than one email address. This has resulted in confusion over which email was used, and Friends have been “locked-out”, requiring a password/username reset of the account. As such, sticking with the “first.last” convention removes that possible confusion.

When you “[click this link](#)” (noted in the previous screen in the RED BLOCK in the email to change your password, you’ll see the following guidance:

Password must be at least 8 characters long and contain at least one non-alphabetic character”

Change your password, and be sure to make a note of it. I always recommend choosing a pretty simple password that is specific to you or your MM. (e.g. Unami_9876 or Meetinghouse&1814).

(Note: We can enter the “hint” into your record if you wish, so that we can help you possibly recall your password, too.)

8. We actually recommend that you close your browser and then open a new tab and go back to www.AbingtonQuarterlyMeeting.org at this time. There is a minor bug that attempts to take you to the trial Quarter site. That will be fixed, but in the interim, it is preferred that you open a new tab.

In the new tab, go to www.AbingtonQuarterlyMeeting.org and go to the upper right and "Log In".

The screenshot shows a login form titled 'sign in to HUBB.CHURCH'. The form is for 'Abington Quarter' and contains the following fields and elements:

- A text input field for 'Login Name or Email Address' with the placeholder text 'first.last' and a user icon.
- A password input field with a lock icon.
- A checkbox labeled 'Keep me logged in on this device' with an information icon.
- Two buttons: 'Log in' (blue) and 'Cancel' (grey).
- Two links at the bottom: 'Reset password' and 'Register'.

Again, Friends – please know that at any point if you are hesitant to walk through these steps, a representative from the Abington Quarter Communications Committee would be MORE THAN happy to meet you in Zoom, and walk through these steps with you.
