The Todd Drake Creative Intergenerational Quarterly Meeting is coming!

Please add the date of October 2, 2026, at Gwynedd Friends, to your personal and Meeting calendars, now.

At the Abington Quarter Representatives Meeting on March 1, the deep and meaningful results from the seven participating Meetings, of the question: What is important to your Meeting? were explored. A lengthy Spirit-led discussion of common threads led to this statement: *Nurturing the Light Within everyone, we let that experience guide our compassionate actions for peace and justice.*

This statement has been sent to Todd who will make three sketches that creatively reflect the Spirit of the statement. This image will turn into a beautiful print that will be created by all present at the October 2, Quarterly Meeting, with the guidance and assistance of Todd Drake. Below is an example of a print created in this manner at one of his workshops.

At the May 3, Quarterly Meeting these sketches will be displayed. One will be selected by all present that we feel best depicts our statement. Please come and participate in this enlightening collaborative experience.
